Gas Update Webinar

13h00 GMT+1, 23 June 2020

Developing partnerships along the gas value chain

Established at RSA House in 2013, the Africa Investment Exchange (AIX) has become one of the meeting places of choice for Africa's energy sector stakeholders.

We have taken the AIX meetings online during the Covid-19 disruption. The webinars will continue to be

held under the Chatham House Rule and structured round panel led discussions to facilitate open discussion.

The third AIX Webinar will provide an update on Africa's gas market ahead of the AIX: Gas meeting on 15-17 September.
